

★ **Vacuum Pumps**

Rotary vane vacuum pumps, Roots Vacuum Pumps, Dry vacuum pumps, Turbo molecular vacuum pumps, Oil Diffusion vacuum pumps

★ **Vacuum measurement**

Pirani gauge, penning gauge, Multi-channel digital display units etc.,

★ **Helium Leak Detectors**

New age Mass Spectrometer Helium Leak Detector, Sniffing Line, SS Manifold for mass leak testing at a time

★ **Custom built equipment**

Vacuum drying oven, Vacuum pumping system, Trolley mounted TMP system, Vacuum calibration systems etc.,

★ **Ultrafine vacuum pump oils**

Rotary vane pump oils, PFPE oils, pure silicon oils for diffusion pumps etc.,

★ **Vacuum components and spares**

All kinds of Vacuum Isolation Valves, Viewports, Copper Gaskets, Glastometal seals, oil mist filters, oil seals, Filaments, Sphericals, SS end connection components, Clamps, O rings etc.,

★ **Vacuum coating Materials**

Sputtering targets, evaporation materials, Silicon Wafers Evaporation boats etc.,

★ **Services and consultation**

Helium leak testing, Vacuum gauge calibration, AMC for Custom vacuum equipment, Consultation for Vacuum system up gradation etc.,

Ultrahigh Vacuum Solutions LLP

🏠 No.1, 3rd Cross, 2nd Main Road, Somasundara Palya, HSR 2nd Sector, Bangalore -560102. Karnataka
